To Create a World ⁱⁿ which Children ^{Love} to Learn!

Teacher Created Materials (TCM) has published innovative, imaginative, and award-winning books for over 45 years. You can trust our books to capture kids' attention and be appropriately leveled to improve reading, fluency, and comprehension skills. We offer books for a variety of subjects, including language arts, mathematics, science, social studies, and STEAM.

Shell Education classroom, professional, and at-home resources address today's critical topics and tackle tomorrow's challenges. Written by experts in their fields, our books feature research-based, classroom-tested approaches that provide easy-to-implement strategies to motivate and empower all students, making teaching more effective and learning more fun.

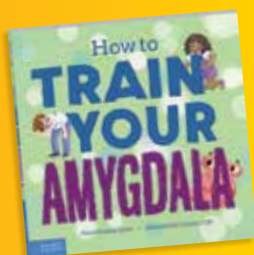

Free Spirit Publishing publishes social-emotional learning books that meet all kids—babies, teens, and everyone in between—where they are and address the real-life issues they face, giving them the tools to reach their full potential. **Free Spirit Professional** books focus on early childhood education, mental health, gifted learners, differentiated learning, and more.

Decodable Books

Read & Succeed

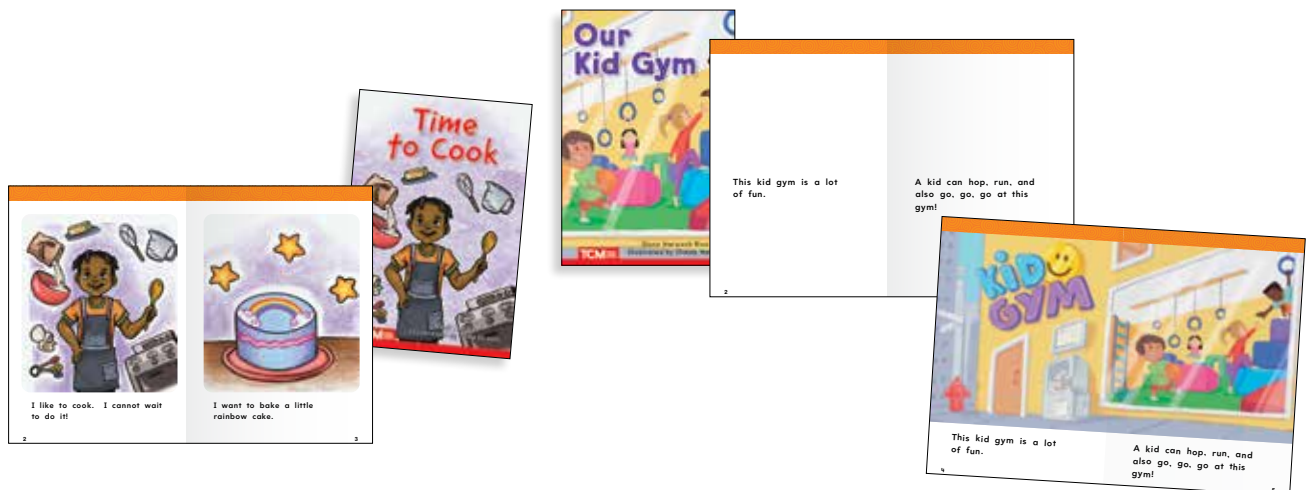

Make Learning to Read Fun with TCM's Decodable Books

These truly decodable books are fun and memorable with unpredictable stories. They are structured to progressively develop phonological awareness, phonics skills, and high-frequency word recognition. These books contain regular spelling patterns, with most letters representing their usual sounds, providing successful reading practice for early readers. Helpful, engaging family support is included in each book.

This series includes 10 unique text-first books for each level. These books provide the opportunity for students to practice decoding the text without images clues. When they turn the page, the same text is repeated with illustrations to confirm their decoding accuracy and understanding.

90 books available for grades Pre-K-2

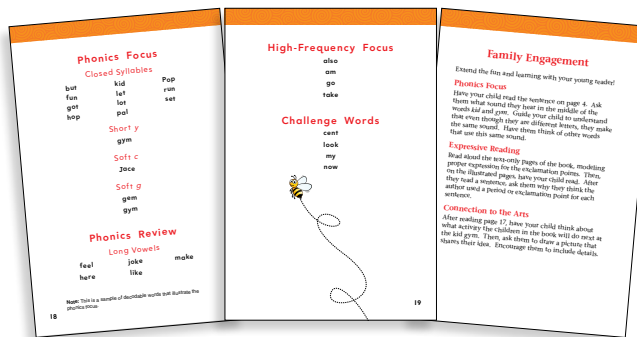

- ▲ Introduce new sounds and words with sequenced books.
- ▲ Practice reading and recognizing high-frequency words
- ▲ Develop comprehension, vocabulary, and fluency skills.

LEARNING-TO-READ

Text-first book with decoding practice without illustrated clues then repeats the text with images.

All books include a phonics focus page, high-frequency and challenge words focus, and a family engagement page.

“Recommended. This visually attractive series offers plenty of decodable reading practice, engaging topics, and stimulating child-adult engagement.”

—School Library Journal

“Three pages of phonics and family engagement back matter give adults sharing with young readers ideas and support in extending the reading activity. Best purchased as part of the series for a classroom or homeschool setting.”
